

Join us at our first Tromp down the Columbia Trail from Long Valley through Califon and on to High Bridge!

A Memorial for Bill Harrington Senior

The business associations of Long Valley, Califon and High Bridge (LVVA, CAMPA, HBBA) would like to invite you to join with us in supporting an event to not only benefit The Advanced Research Foundation, a 501c dedicated to finding a cure for cancer (myarf.org) and Dr. Subash Gulati, but to also bring interest to our locality. Specifically, we would like to highlight the Columbia Trail from Long Valley to High Bridge and the Califon Island Park.

On August 22, 2010, we are sponsoring a Walk, Run, and Bike along the Columbia Trail. Participants would park at the Toll Bros. Regency on Fairview Avenue and start their journey at the Somerset Hills Bank on Schooley's Mountain Road. A big rest stop party will be held at Califon Island Park. Riders will begin at 7am, walkers and runners at 8:30. Shuttle buses will be provided from Califon Island Park and High Bridge, as needed.

Seniors can also STOMP out Cancer by participating in the senior walk. This will begin in the parking lot of Toll Brother's Regency development on Fairview Avenue and will proceed through Mill Pond Park, which is owned by the Washington Township Land Trust. Participants can walk on either or both of two marked trails, a distance of about one mile in total. The senior walk is free thanks to a generous donation from SKYLANDS ORTHOPAEDICS PC in HACKETTSTOWN

Sponsored by the Long Valley Village Association, CAMPA, High Bridge Business Association along with Morris County and Hunterdon County Parks Association.

Sponsorship is available at the following levels:

- ✚ \$250 – major sponsor. Your logo will appear on the t-shirt provided to all participants. You may set up a table at Somerset Hills Bank, distributing samples, literature, advertising, etc. for your business (no sales, please)
- ✚ \$100 – water stop sponsor. Your business name will be featured at a water stop along the trail, e.g. intersection of 513 and Columbia Trail, and you may distribute material at Somerset Hills Bank (see above).
- ✚ \$50 – general sponsor. You may distribute material at Somerset Hills Bank (see above).

We are also seeking donations for the “goody bag” that each participant will receive. This may include samples or coupons for your business, promotional items (key chains, water bottles, etc.) or anything else you would like to donate.

Donations of time will also be gratefully accepted. We will need folks to assist with check-in, marshal the course, man the water stations and so on.

Sign up at www.lvva.org to be a sponsor or contact events@lvva.org for more info or to volunteer time. Donations for the goody bag can be dropped off at PNC Bank before August 15, 2010.

Please make checks payable to the LVVA or the Advanced Research Foundation

Send checks to:

Leona Harrington

Harrington Construction

50 Parker Road

Chester, NJ 07930

For major sponsors, we’ll need Camera Ready Art Work for the commemorative T Shirt, send that to events@lvva.org

Thank you for your kindness and generosity.

Sponsored by the Long Valley Village Association, CAMPA, High Bridge Business Association along with Morris County and Hunterdon County Parks Association.
